

# Is your Business Ready to Operate Safely through COVID-19?

SeaChange is here to help **your business** through the COVID-19 crisis

All industries have been affected by the current COVID-19 Pandemic which will undoubtedly change the way in which our Businesses operate. Whether you have been operating thus far or are hoping to reopen soon, you need to ask yourself:

**Is my Business equipped to deal with the increased Health & Safety requirements introduced by COVID-19? Do I know what to do daily to manage operations to reduce risk & ensure Business Continuity? And what do I do if there is a confirmed case in my Business?**

SeaChange, a Behaviour Based Safety Consultancy has been identified by Enterprise Ireland, the IDA and the NSAI as an essential Business Continuity & Recovery Service Supplier. Our bespoke COVID-19 Risk Management Solutions focus on ensuring your business manages its continuity, recovery & reopening effectively

## COVID-19 Bespoke Risk Assessment
